

Azox Credit Card Extension is completely integrated with Blue Moon's SOP Auto Invoice. It provides the ability to post-authorize the SOP invoice batch automatically before it gets posted in Dynamics GP. SOP Auto Invoice allows for automatic transfer of sales orders, printing of invoices and posting within the Microsoft Dynamics GP SOP entry system.

STREAMLINED AUTOMATION

Utilizing SOP Auto Invoice can save you time by removing unnecessary manual processes from your customer service team. Gain time in the sales order process by automating the transfer, invoice printing, and posting processes.

- Azox allows for automatic charging in between the invoice and posting stages of Sales Order Processing.

Features of Azox Credit Card Extension

- Validate and process credit card transactions within Dynamics GP
- Encrypted storage and retrieval
- Supports multiple merchant accounts
- ACH support
- PA-DSS Certified

System Requirements

- Microsoft Dynamics GP 8.0 or higher
- Microsoft .NET Framework
- Windows Server 2003 or later
- Internet Information Server (IIS) 5 to 7
- SQL Server 2000 or later
