

Why Partner With Azox?

The Benefits of Being an Azox Partner

Partner Program Benefits

- No program fees or certification requirements
- Access to joint marketing opportunities
- Profitable margins on software and services that escalate by volume
- Access to user events sponsored by Azox
- Personalized pre and post-sale service and support from Azox. We provide pre-sale services such as consulting, products demos, proposals and project management. We also offer post-sale support, implementing and training services, product modifications and product support.
- Our technical expertise and experience in software applications and development, as well as our Web design and hosting packages can help your customers fully integrate their on-line business with Microsoft Dynamics GP.
- Get more value from your IT investment by extending enterprise class capabilities while reducing security risks, downtime, unnecessary costs and complexity.

About Azox

As a Microsoft Gold Certified Partner and Strategic ISV, Azox is a recognized leader in developing E-commerce solutions for the Microsoft Dynamics market. Additionally, Azox develops and delivers fully integrated online payment solutions, and distribution modules to businesses of all sizes and all kinds around the world. Thriving on integration and innovation, Azox manufactures solutions with more sought after functionalities than its competitors. Azox's team of professionals are highly capable and committed to provide the best support and services that allow our customers to truly realize a speedy ROI when purchasing our solutions!

- *E-Commerce Solutions*
- *E-Payment Solutions*
- *Dynamics Solutions*
- *Distribution Modules*

As a result of today's ever-changing marketplace, choosing an ISV to partner with is becoming increasingly fundamental for your continued success as a Microsoft partner moving forward. Not only must you seek out a trustworthy and committed partnership, but you must connect with an organization that truly understands your business needs.

With our experience in E-Commerce and Credit Card integrations with Microsoft Dynamics GP, we can help you grow your business by fully utilizing what you already sell. Our customized, business-critical E-Commerce solutions can fulfill your client's business needs while allowing you to expand and grow your business.

Provide your customers and prospects with innovative and creative e-commerce solutions for Microsoft Dynamics GP by participating in the Azox Partner Program. Becoming an Azox Partner will give you the opportunity to earn additional revenue and provide more value to your clients while still maintaining focus on your core business.

Partnering with Azox is easy. There are no program fees or certification requirements. Our experienced and professional team is dedicated toward finding and implementing solutions for the Microsoft Dynamics GP community. Contact us today to learn more about becoming an Azox partner.
